Professor Gregory Treverton

Dear Professor Treverton:

I was delighted to learn that you will be able to join us for the April 5-6 conference at the State Department on Europe in the 1980s, and that you have agreed to be a discussant on the topic of the Arms Control agenda in Europe. Your remarks should be about 15-20 minutes.

This brief note is merely to confirm your conversation with my associate, [redacted] that the time of the April 5th afternoon session will be from 2:00-4:30. We shall keep you posted as the agenda is finalized, and the Department of State will advise you of administrative arrangements as we move closer to the conference date.

STAT

Sincerely,

Milton Kovner
